MSDS Sheet

Fire 1st Defense Non-Rechargeable, Air-Powered Fire Extinguisher

SECTION 1: PRODUCT AND COMPANY IDENTIFICATION	
Product Name:	Fire1stDefense, Non-Rechargeable, Air-Powered Fire Extinguisher
Manufacturer:	Fire 1st Defense, Inc. P.O. Box 1210 Exton, PA 19341
For Information/Contact:	PH: 484.356.0420
Preparation Date:	10/30/2002
SECTION 2: HAZARDOUS INGREDIENTS	
D.O.T. Classifications	Consumer Commodity ORM-D Class 2.2 UN 1002 Air Compressed Non-flammable gas No known Hazardous Ingredients. Pressurized with air.
SECTION 3: PHYSICAL DATA	
Specific Gravity (Liquid):	1.0 app.
Pressure (PSIG- Filled Can):	100 to 110 app.
Odor:	Typical detergent
Solubility in Water:	Complete
Boiling Point Liquid:	app.212° F
Physical State:	Air pressurized container
Appearance (Liquid):	Opaque
Aerosol Percent VOC:	0
Aerosol Percent Volatile:	0
Freezing Point (Liquid):	app. 32° F
Flash Point:	Not flammable (liquid is a fire extinguishing agent)
SECTION 4: FIRE AND EXPLOSIVE HAZARD DATA	
Contents under pressure. Do not incinerate, puncture or store above 122°F (50°C) or below 32°F (0°C) Product will freeze.	
SECTION 5: REACTIVITY DATA	
Stability:	None known.
Incompatibility:	None known.
Hazardous Combustion or Decomposition Products:	None known.
SECTION 6: TOXICOLOGICAL PROPERTIES

Health Hazards:	
Skin Contact:	May cause slight irritation.
Skin Absorption:	Not known
Eye Contact:	May cause slight irritation
Inhalation:	No solvents present to cause irritation
Ingestion:	May cause headache, nausea or vomiting
Effects of Acute Exposure:	Slight irritation to skin and eyes
Effects of Chronic Exposure:	Not known
Sensitizing Capabilities:	Not known
Carcinogenicity of Material:	
Reproductive Effects:	No information available; no adverse reproductive effects anticipated
Teratogenicity:	No information is available; no adverse teratogenicity effects anticipated
Mutagenicity:	No information is available; no adverse mutagenicity effects anticipated
Synergistic Materials:	None known
SECTION 7: SPECIAL PROTECTION INFORMATION	
Respiratory:	Not normally required during normal usage.
Footwear:	Not normally required during normal usage.
Protection Gloves:	Not normally required during normal usage.
Eye Protection:	Not normally required during normal usage.
Other Protective Equipment:	None required.
Handling Procedures:	No known special preventive handling measures.
Waste Disposal:	Do not puncture or incinerate containers. Dispose of in accordance with Local, State, and Federal regulations.
Storage Procedures:	Store away from heat and protect from freezing.
Special Shipping Instructions:	See Section 2, DOT Classification Ship in accordance with Local, State and Federal regulations.

SECTION: 8 EMERGENCY AND FIRST AID PROCEDURES

Eye (contact):	In the event of accidental contact with eyes, irrigate with copious amounts of warm water for at least 3 minutes. If irritation develops, seek medical attention.
Skin (contact):	Wash affected area thoroughly with cool clean water. If irritation develops seek medical attention.
Ingestion:	If swallowed, drink large quantities of water. Seek medical attention.

SECTION 9: ADDITIONAL INFORMATION

The information in this MSDS was obtained from current and reliable sources. However, the data is provided without any warranty, expressed or implied, regarding its correctness or accuracy. Since the conditions for use, handling, storage and disposal of this product are beyond the control of Fire 1st Defense. It is the user's responsibility both to determine safe conditions for use of this product and to assume liability for loss, injury damage, or expense arising out of the products improper use. No warranty, expressed or implied, regarding the product described herein shall be created by or inferred from any statement or omission in this MSDS. Various government agencies (i.e. DOT, EPA, FDA) may have specific regulations concerning the transportation, handling, storage, use and disposal of this product that may not be reflected in this MSDS. The user should review these regulations to ensure full compliance. 10/30/2002
