Hi-Light® TABLETS

Blue Spray Indicator

NET CONTENTS: 4,500 Tablets

Spray pattern indicator*

For use in herbicide and fertilizer applications. Designed for marking spray solution in 1-5 gallon sprayers.

Color mark lasts 1-2 days and breaks down in sunlight and moisture.

Rate: 1 tablet per 1-2 gallon (3.8-7.6ltr) of spray solution.

FOUNTAIN COLORANT*

For use in coloring fountains and small ornamental ponds. Color lasts 3-4 weeks with no outflow. Rate: 1 tablet per 250 gallons (950 L) of water.

FOAM DYE COLORANT*

For use in coloring agricultural foam mark solutions. Turns foam concentrate blue, increasing visibility.

Rate: 1 tablet per 5 gallons (19 ltr) of foam/water solution.

Tablets are made from food grade material.

Notice

There are no warranties which extend beyond the description on the label hereof. The manufacturer, Becker Underwood, Inc., warrants this product to be as described on the label. The manufacturer's liability on this warranty is limited to return of the purchase price of this product. The buyer assumes all risks and liability resulting from the use of this product, whether used singly or in combination with other goods. The manufacturer neither assumes nor authorizes any person to assume for it any other liability in connection with the sale or use of this product.

*Rate in any application may be adjusted for a more or less intense color.
