D.B. Smith Relax, 4 gal.

Field King Deluxe and D.B. Smith Relax Backpack Sprayers

Field King Deluxe

Positive, palm-activated trigger with lock and grip and an in-line poly filter to protect the trigger and nozzle from clogs. Features quality Viton® gaskets and seals; 24" long brass spray wand with a 50" reinforced hose; fully adjustable brass nozzle which produces a straight stream to fine mist plus a fan spray nozzle for a wide spray pattern; wide-fill opening with basket screen in top of tank; a pump handle which mounts on either side for left- or right-handed operation and locks upright for easy storage; removable pump assembly; convenient carry handle with a built-in wand storage clip; dual paddle agitators mix contents each time you pump; molded lumbar support; waist belt and adjustable padded shoulder straps; and a compact design with a low center of gravity.

D.B. Smith Relax

Foam nozzle eliminates drift by producing visible, heavy droplets which are more wind-resistant and allow you to see exactly where chemical is being applied. Features a 4-gallon, high density polyethylene tank with molded graduations, Viton® O-rings, 24" curved extension wand, fully adjustable brass nozzle, padded shutoff grip, 80° flat fan nozzle, left- or right-handed pump handle mounts, adjustable padded straps, dual paddle agitators keep chemicals mixed, in-line filter at shutoff to prevent clogging, full lumbar support, 56" reinforced hose, and a convenient carry handle. The Relax Backpack Sprayer is approved and recommended for the application of Roundup®.
