

BAREGROUND[®] ULTRA

P E L L E T E D H E R B I C I D E

Bareground Vegetation Control

For use in non-crop areas such as:

- Equipment Storage Areas
- Lumberyards
- Around Farm Buildings
- Microwave Towers
- Petroleum Tank Farms
- Along Fence Lines
- Parking Areas
- Industrial Sites

Active Ingredients:	By Wt.
Sodium Metaborate *(Na ₂ B ₂ O ₄).....	49.0%
Sodium Chlorate (NaClO ₃).....	30.0%
Bromacil (5-bromo-3-sec-butyl-6-methyluracil).....	1.5%
Inert Ingredients:.....	19.5%
	<u>Total 100.0%</u>

*Equivalent to 6.5% boron expressed as elemental boron.

THIS PRODUCT CONTAINS A FIRE RETARDANT

EPA Reg. No. 33560-47

EPA Est. No. 19713-TN-006

KEEP OUT OF REACH OF CHILDREN

DANGER PELIGRO

BAREGROUND ULTRA

P E L L E T E D H E R B I C I D E

Bareground Vegetation Control

PRODUCT INFORMATION

BareGround Ultra is designed for non-selective kill of weeds and grasses with a single treatment. Use for quick knockdown of existing vegetation as well as long-lasting effects in the soil for control of regrowth or new seedlings. Use for general mixture of weeds and grasses. BareGround Ultra is also effective on perennial grasses such as Johnson grass, Bermuda grass, Dallis grass and Quack grass.

Thoroughly clean spreading equipment with a suitable chemical cleaner before using for other purposes (or do not use the same spreading equipment for other procedures).

WHERE TO USE

AROUND OR NEAR THE FOLLOWING: Bleachers, Bridges, Abutments, Buildings, Bunkers, Buried cable closures, Catwalks, Compressor Stations, Cooling towers, Cross connection boxes, Electrical generators, Fence lines, Fire hydrants, plugs or walls, Fuel tanks, Generating plants, Guardrails, Helo pads, Highway & street markers, Loading stations, Lumber yards, Microwave towers, Oil and Gas pipelines, Oil refineries, Parking lots, Pump decks, Railroad lines & sidings, Runway lights, Runways, Sign posts, Storage & equipment yards, Utility poles & substations, Vacant lots, Valves & manifolds, Waste lagoons or other similar non-crop areas.

WHEN TO USE

Use BareGround Ultra anytime during the growing season. Weeds and grasses are easier to kill when they are young and growing rapidly.

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

FOR USE ON INDUSTRIAL SITES OR SIMILAR NON-CROPPED AREAS

IMPORTANT: This material is non-selective in action, may be toxic to all types of vegetation, and may render the entire treated area totally or partially unproductive for one or more years. Care should be taken to continue the use of application to the particular area intended to be treated and to avoid its contact with lawns, trees, shrubs, crops and other desirable plants that are not intended to be destroyed or injured. This includes precautions in treating areas which may be underlaid by roots of adjacent desired growths. Careless application of this material, or washing by water runoff to areas where desirable plants are growing or which will be used for later planting may result in injury to desirable plants. Do not drain or flush equipment on or near such areas.

Do not contaminate domestic or irrigation water or waters used by fish and wildlife. Wash clothing and equipment after application. Keep animals off treated area until rainfall has leached all the herbicide into the soil. Mechanical equipment should be thoroughly cleaned after use.

USE RESTRICTIONS

Not to be used in any recreation areas or in and around homes.

Do not contaminate water used by wildlife and aquatic life, or for domestic and irrigation purposes.

Do not apply this product in a way that will contact workers or other persons, either directly or through drift. Only protected handlers may be in the area during application.

Do not enter or allow others to enter until dusts have settled.

Application with a spoon, pump-feed backpack spreader, or a gravity-feed backpack spreader is prohibited.

Do not apply more than 1.8 lbs. of product per 100 sq. ft.

APPLICATION INSTRUCTIONS

Application: For all uses, uniform application is essential. The material becomes effective in the soil followed by rainfall or irrigation. (See applications rates below.) BareGround Ultra is ready to use! Apply with a hand-operated spreader, such as a conventional cyclone type spreader or a power spreader for larger areas.

Non-agricultural uses are limited to spot treatments with exception of applications under asphalt. Application under asphalt may only be applied with handheld equipment such as a rotary spreader and are limited to 8,000 square feet per site. Use on right-of-ways and ditch banks is prohibited.

Use the following rates of application under most conditions. When using these rates this product can be applied once per year.

KINDS OF WEEDS	APPLICATION
ANNUALS Weeds and grasses such as Sunflower, Kochia, Russian Thistle, Pigweed, Crabgrass, Downy Brome.	1-1.5 lbs/100 sq. ft.
PERENNIALS Weeds and Grasses such as Johnson grass, Bermuda grass, Dallis grass, Quack grass, Canada thistle, Bindweed, Bluegrass.	1.8 lbs/100 sq. ft.
MIXED Annual and perennial weeds and grasses	1.8 lbs/100 sq. ft.

Approximately 2 1/2 cups of BareGround Ultra equal 1lb.
*As low as 1lb./100 sq.ft. can be used on young and rapidly growing annual weeds.

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER: Corrosive. Causes irreversible eye damage. Harmful if swallowed or absorbed through the skin. Do not get in eyes, on skin or on clothing.

FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lens, if present, after the first five minutes, then continue rinsing eye. Call a poison control center or doctor for further treatment advice.
IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 to 20 minutes. Call a poison control center or a doctor for treatment advice.
IF SWALLOWED: Call a poison control center or a doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by poison control center or doctor. Do not give anything by mouth to an unconscious person.
IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance then give artificial respiration preferably by mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.

Have this product container or label with you when calling a poison control center or doctor or going for treatment.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage. Treat for circulatory shock, respiratory depression, and convulsions, if needed.
Emergency contact number: 901-332-7052

USER SAFETY RECOMMENDATIONS

USERS SHOULD: Wash hands before eating, drinking, chewing gum, chewing tobacco, or using the toilet. Remove clothing/PPE immediately if pesticide gets inside. Then wash thoroughly and put on clothing. Remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

PERSONAL PROTECTIVE EQUIPMENT

Some materials that are chemical resistant to this product are made of any waterproof material. If you want more options, follow the instructions for Category A on the EPA chemical resistant category selection chart.

All loaders, applicators and other handlers must wear:
Long-sleeved shirt and long pants.
Shoes plus socks.
Chemical resistant gloves made of any waterproof material.
Protective eyewear.

USER SAFETY REQUIREMENTS

Follow manufacturer's instructions for cleaning & maintaining PPE. If no such instructions for washables exist, use detergent and hot water. Keep and wash PPE separately from other laundry. Do not store near food or feed products. Store out of weather.

Discard clothing or other absorbent material that have been drenched or heavily contaminated with this product's concentrate. Do not reuse them.

ENVIRONMENTAL HAZARDS

Do not apply directly to water, or to areas where surface water is present or to inter-tidal areas below the mean high water mark. Do not contaminate water used by wildlife and aquatic life or for domestic and irrigation purposes. Do not contaminate water when disposing of equipment wash waters or rinsate.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal.

PESTICIDE STORAGE: Avoid contact with floor and moisture.

PESTICIDE DISPOSAL: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: Nonrefillable container. Do not refill or reuse container. Completely empty bag by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into application equipment. Then, offer for recycling if available, or dispose of bag in a sanitary landfill or by incineration if allowed by State and Local authorities.

NOTICE: Because of the many varying conditions affecting use and application, such as location, seasonal weather, soil composition and type of vegetation, manufacturer warns buyer that these and other conditions may impair or vary the results or effects of the use of this product. In any event, complete elimination of weeds is not guaranteed. It is advisable to consult your State Extension Service or Agricultural Experiment Station Weed Specialist on specific problems. Neither the manufacturer nor seller may be liable in respect to any injury or damage suffered by reason of the use of this product for a purpose not indicated by the label or when used contrary to the directions or instructions here-on nor with respect to breach of any warranty not expressly specified herein. Buyer accepts this material subject to these terms and assumes all risks of usage and handling except when used or handled in accordance with this label. Neither manufacturer nor seller makes, and their employees and agents are not permitted to make, any representations or warranties, expressed or implied by law, not specifically set forth herein.

DISCLAIMER: Seller warrants that the chemical composition of this product conforms to the chemical description given on this label. TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, THIS WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES AND REPRESENTATIONS EXPRESSED OR IMPLIED OR STATUTORY INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR PARTICULAR USE. Timing, rate and method of application, weather and crop conditions, mixtures with chemicals not specifically directed on this label or an accompanying written directions are beyond the control of the seller. Buyer assumes all risks of use, storage and handling of this material not in strict accordance with directions given herewith. To the extent consistent with applicable law, buyer further agrees in the event of damage arising from the use of this product to accept a replacement of the product or a refund of the purchase price of the product, at buyer's option, as full discharge of seller's liability. No one is authorized to make any other warranty, guarantee or directions concerning this product, and no such warranties, guarantees or directions shall be valid or binding upon seller.
